# GOLD HOSPITAL

Gold Hospital is (unsurprisingly) our highest level of Hospital cover. It includes big ticket items like pregnancy and birth, heart procedures and hip or knee joint replacements – with no exclusions or restrictions. This cover has a \$500 excess. The excess doesn't apply for public hospital admissions or for your child dependants.

## SCOPE OF COVER

The categories listed under 'Hospital Services' provide a general overview of what's included in your cover. It's important to know exactly what you're covered for, so we've provided detailed information on our website. To find out more go to [nmhealth.com.au/gold-hospital](https://nmhealth.com.au/gold-hospital).

# IMPORTANT THINGS TO KNOW

## MEDICAL COSTS AND THE 'GAP'

Medicare sets a fee for all services called the Medicare Benefits Schedule (MBS). Together with Medicare, we'll cover you for the MBS fee. When doctors charge above the MBS fee, that's when you'll have out-of-pocket costs or a 'gap'. Always check with your doctor to see if there'll be any additional charges before you receive treatment.

## ACCESS GAP COVER

Access Gap is a billing scheme that can help you minimise, or avoid, out-of-pocket costs for in-hospital (inpatient) specialist treatment.

To find out more go to [nmhealth.com.au/access-gap-cover](http://nmhealth.com.au/access-gap-cover)

## WAITING PERIODS

To keep health insurance fair for everyone, you may need to wait for a while before you can claim. Waiting periods may apply if you're new to private health insurance, or if you upgrade to a higher level of cover (with us or when you switch from another fund).

If you leave another health fund, you need to join us within 60 days to avoid re-serving any applicable waiting periods.

You don't have to wait if you switch from another fund to the same or lower cover with us, and you've already served your waiting periods.

## HOSPITAL WAITING PERIODS

Pre-existing conditions	12 months
Pregnancy and birth	9 months
Hospital psychiatric services, Rehabilitation, Palliative care	2 months
All other hospital services	2 months
Emergency ambulance transport	1 day
Non-emergency ambulance transport	1 day

## PRE-EXISTING CONDITIONS

A pre-existing condition is an illness, ailment or condition where the signs or symptoms existed at any time during the six months before you got your Hospital cover or transferred to a higher level of cover.

Where relevant, we appoint a medical practitioner to determine whether you have a pre-existing condition, based on information provided by your treating doctor or specialist.

## WHAT WE WON'T PAY FOR

We won't pay for things like:

- services not covered by Medicare
- medical procedures in a doctor's room
- specialist appointments (including scans, blood tests)
- prostheses in excess of approved benefits in the Government's Prostheses List
- non-medical items such as TV hire, telephone, parking, etc.
- discharge medication
- services received during any period which your membership is unfinancial or suspended
- services not included in your cover or for which you are serving waiting periods
- hospital treatment received overseas
- services where benefits are payable from a third party (i.e. compensation).

## BEFORE GOING TO HOSPITAL

Before you pack your nightie or PJs and your overnight bag, the first step is to call us so we can confirm what you're covered for, and any potential out-of-pocket charges for your procedure.

## EXCESS

You pay your excess directly to the hospital on your admission. You'll only pay the total excess once per person, per year. The excess is waived for public hospital admissions and for child dependants on your cover aged under 25.
