

General Dental

011	Comprehensive Oral Exam	086	Electromyographic Analysis
012	Periodic Oral examination	111	Removal Of Plaque & Stain
013	Oral Exam - Limited	113	Recontouring Of Pre-existing Restoration
014	Consultation	114	Removal Of Calculus - First Visit
015	Consultation - Extended (30 Mins)	115	Removal Of Calculus - Subsequent Visit
016	Consultation by Referral	116	Enamel - Micro Abrasion - Per Tooth
017	Consult by referral (30 minutes or more)	121	Topical Fluoride
022	Intraoral Periapical Or Bitewing Xray	123	Concentrated fluoride per tooth
025	Intraoral Radiograph - Occlusal	151	Provision Of Mouthguard - Indirect
031	Extraoral radiograph per exposure	153	Bimaxillary Mouthguard - Indirect
033	Lateral xray of skull - per exposure	161	Fissure Sealing
035	Radiograph Of Temporomandibular Joint	165	Desensitising procedure
036	Cephalometric Radiograph	171	Odontoplasty
037	Panoramic Radiograph	311	Removal Of Tooth
038	Hand-wrist Radiograph	314	Sectional Removal Of A Tooth
039	Tomography Of Skull	511	Metallic restoration 1 surface
041	Bacteriological Exam	512	Metallic restoration 2 surfaces
042	Culture Exam	513	Metallic restoration 3 surfaces
043	Antibiotic Sensitivity Test	514	Metallic restoration 4 surfaces
044	Collection Of Specimen	515	Metallic restoration 5 surfaces
047	Saliva test	521	Adhesive restoration 1 surface anterior
048	Bacteriological test	522	Adhesive restoration 2 surfaces anterior
051	Biopsy Of Tissue	523	Adhesive restoration 3 surfaces anterior
052	Histopathological Exam	524	Adhesive restoration 4 surfaces anterior
053	Cytological Exam	525	Adhesive restoration 5 surfaces anterior
054	Mucosal Screening	531	Adhesive restoration 1 surface posterior
055	Blood Sample	532	Adhesive restoration 2 surfaces
056	Haematological examination	533	Adhesive restoration 3 surfaces
061	Pulp Testing	534	Adhesive restoration 4 surfaces
071	Diagnostic Model	535	Adhesive restoration 5 surfaces
072	Photographic Records - Intraoral	572	Provisional restoration
073	Photographic Records - Extraoral	574	Metal band
074	Diagnostic Wax Up	575	Pin Retention - Per Pin
081	Cephalometric Analysis	576	Metallic crown
082	Tooth-jaw Size Prediction Analysis	577	Cusp Capping - Per Cusp
083	Tomographic analysis	578	Restoration Incisal Corner - per corner
085	Electromyographic Recording	579	Bonding Of Tooth Fragment

Major Dental

213	Treatment Of Acute Periodontal Infection
221	Clinical periodontal analysis & record
222	Root Planing
281	Non - surgical periodontal treatment
282	Continuation Of Periodontal Treatment
322	Surgical r/o tooth/fragment no bone
323	Surg r/o tooth/fragment with r/o bone
324	Surg r/o tooth/fragment r/o bone & divis
411	Direct Pulp Capping
412	Incomplete endodontic treatment
414	Pulpotomy
415	Complete prep for root canal - 1 canal
416	Complete prep for root canal-extra canal
417	Root Canal Obtuaration - 1 Canal
418	Root canal obturation, additional canals
419	Extirpation of pulp canal Emergency
421	Resorbable rooth canal filling primary
445	Exploration For A Calcified Root Canal
451	Removal Of Root Filling
452	Removal Of Post Or Post Crown
453	R/O or bypass fractured instruments
455	Additional Visit For Irrigation/dressing
457	Obturation Of Resorption Defect
458	Interim Therapeutic Root Filling

Optical

110	Spectacle frames
211	Single vision lens stock (single)
212	Single vision lenses
221	Single vision lens grind (single)
222	Single vision lenses grind
311	Bifocal lens (single)
312	Bifocal lenses
411	Trifocal lens (single)
412	Trifocal lenses
511	Progressive lens (single)
512	Progressive lenses
811	Rigid spherical lens (single)
812	Rigid spherical lenses
821	Rigid toric lens (single)
822	Rigid toric lenses
831	Soft spherical non disposable lens (sgl)
832	Soft spherical non disposable lenses
841	Soft toric standard lens (single)
842	Soft toric standard lenses
851	Disposable spherical 1 eye
852	Disposable spherical 2 eyes
853	Disposable toric 1 eye
854	Disposable toric 2 eyes
861	Bifocal/progressive lens (single)
862	Bifocal/progressive lenses
