Important things to know

Waiting periods

Hospital waiting periods apply if:

- you're new to private health insurance
- you upgrade your cover to include things that weren't covered before
- you switch health funds and increase your cover to include things that weren't covered before.

Medical costs

Medicare sets a fee for all services called the Medicare Benefits Schedule (MBS). Together with Medicare, we'll cover you for the MBS fee. When doctors charge above the MBS fee, that's when you'll have out-of-pocket costs or a 'gap'. Always check with your doctor to see if there'll be any additional charges before you receive treatment.

Agreement Private Hospitals

We hold agreements with most Australian private and day hospitals. These agreements ensure that hospital charges are covered when a member is admitted to hospital (depending on their level of cover). If a hospital doesn't have an agreement with us, you may have significant out-of-pocket costs, so it's important to call us to check.

Access Gap Cover

Access Gap is a billing scheme that can help you minimise, or avoid, out-of-pocket costs for in-hospital (inpatient) specialist treatment. To find out more go to teachershealth.com.au/access-gap-cover

Pre-existing conditions

A pre-existing condition is an illness, ailment or condition where the signs or symptoms existed at any time during the six months before you got your Hospital cover or transferred to a higher level of cover.

Where relevant, we appoint a medical practitioner to determine whether you have a pre-existing condition, based on information provided by your treating doctor or specialist.

Ambulance

Our Hospital products provide cover for emergency and non-emergency ambulance services, excluding inter-hospital transfers, transport for day treatment and transport to and from nursing homes or specialist and diagnostic centres. QLD and TAS residents may be covered under their state scheme for

emergency ambulance services. For more see dhhs.tas.gov.au and ambulance.qld.gov.au

Restricted services

In a public hospital:

- **We pay** – accommodation (up to the government fee for a shared room).
- **You pay** – any excess on your cover and the balance of your accommodation costs.

In a private hospital:

- **We pay** – accommodation (up to the government fee for a shared room).
- **You pay** – any excess on your cover, the balance of your accommodation costs, and any other costs involved in your hospital stay.

Excess

Excess amounts are paid once per person, per year. The excess is waived for child dependants on your cover aged under 25 on most of our covers, except Basic Hospital (Basic Plus).
