STARTERPAK HOSPITAL

BASIC PLUS

StarterPak (Basic Plus) is our entry-level Hospital cover, allowing you to choose your doctor, get a few services in a private hospital and many more in a public hospital (on restricted cover). There's a few you can't claim for. You won't have to pay an excess for a hospital admission on StarterPak.

StarterPak also includes the most commonly used Extras to help you proactively manage your health.

SCOPE OF COVER

The categories listed under 'Hospital Services' provide a general overview of what's included in your cover. It's important to know exactly what you're covered for, so we've provided detailed information on our website. To find out more go to nmhealth.com.au/starterpak-basic-plus

MEDICAL COSTS AND THE 'GAP'

Medicare sets a fee for all services called the Medicare Benefits Schedule (MBS). Together with Medicare, we'll cover you for the MBS fee. When doctors charge above the MBS fee, that's when you'll have out-of-pocket costs or a 'gap'. Always check with your doctor to see if there'll be any additional charges before you receive treatment.

ACCESS GAP COVER

Access Gap is a billing scheme that can help you minimise, or avoid, out-of-pocket costs for in-hospital (inpatient) specialist treatment.

To find out more or check which specialists have treated other patients under Access Gap cover, visit nmhealth.com.au/agc

ACCIDENTS

Accidents (unintentional injuries) may be covered if:

- the injury occurs after joining the Fund
- the injury occurs in Australia
- the injury requires treatment by a recognised medical practitioner or dentist within 7 days of the accident.

Benefits are payable for initial in-patient hospital treatment for the injury, and ongoing treatment within 180 days of the accident occurring.

PRE-EXISTING CONDITIONS

A pre-existing condition is an illness, ailment or condition where the signs or symptoms existed at any time during the six months before you got your Hospital cover (or upgraded to a higher level of cover).

Where relevant, we appoint a medical practitioner to determine whether you have a pre-existing condition, based on information provided from your treating doctor or specialist.

RESTRICTED SERVICES

In a public hospital:

- **We pay** – accommodation (up to the government fee for a shared room).
- **You pay** – any excess on your cover and the balance of your accommodation costs.

In a private hospital:

- **We pay** – accommodation (up to the government fee for a shared room).
- **You pay** – any excess on your cover, the balance of your accommodation costs, and any other costs involved in your hospital stay.

WHAT WE WON'T PAY FOR

Things you *can't* claim for include:

- Services not recognised by Medicare (e.g. cosmetic surgery or laser eye surgery)
- medical procedures in a doctor's room
- specialist appointments (including scans, blood tests)
- prostheses in excess of approved benefits in the Government's Prostheses List
- non-medical items such as TV hire, parking, etc.
- discharge medication
- services received during any period when your membership is unfinancial or suspended
- services not included in your cover or for which you are serving waiting periods
- hospital treatment received overseas
- services where benefits are payable from a third party (i.e. compensation).

BEFORE GOING TO HOSPITAL

Before going to hospital, call us so we can confirm what you're covered for, and any potential out-of-pocket charges for your procedure.

AGREEMENT HOSPITALS:

An agreement hospital is a private hospital that we have a contract with. Check your specialist can treat you at an agreement hospital, as this can help minimise out-of-pocket costs.
